

 Completa os cálculos da Kitty em operações de somar. Usa as flores que a Kitty colheu para ti para tornar o cálculo mais fácil. A Kitty é uma boa amiga!

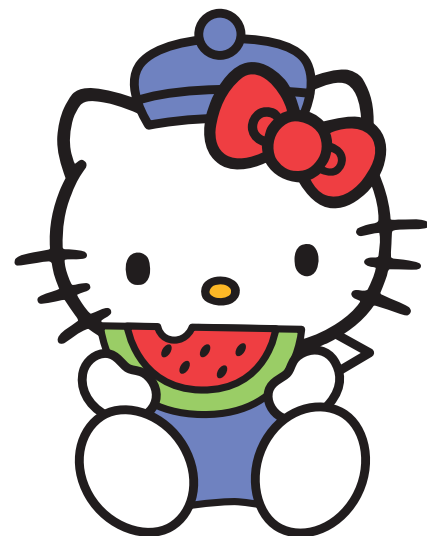

2 + 3 = \_\_\_\_\_

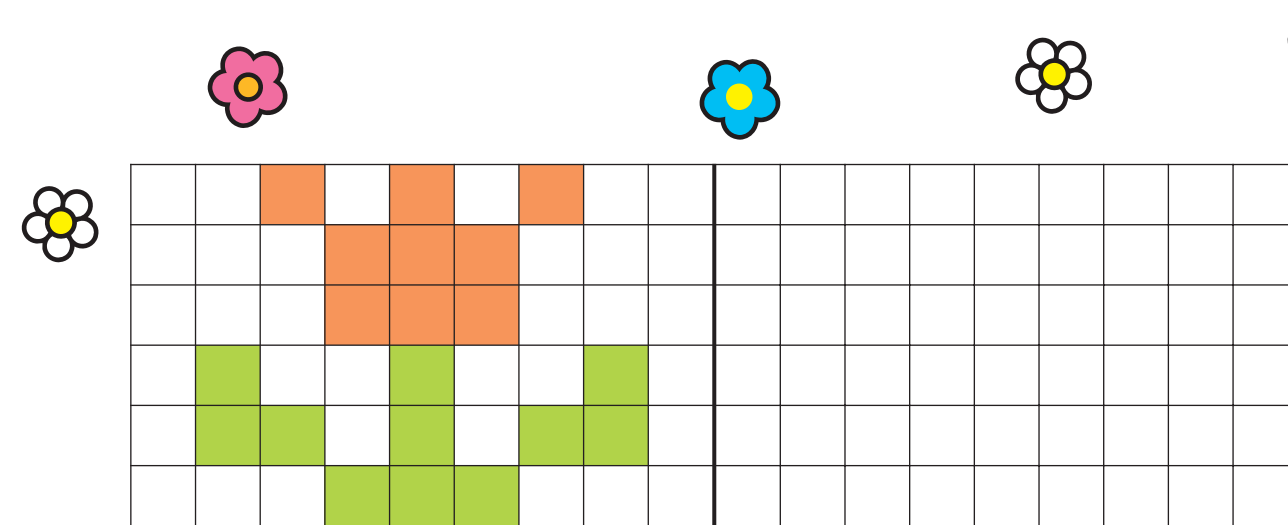

3 + 1 = \_\_\_\_\_

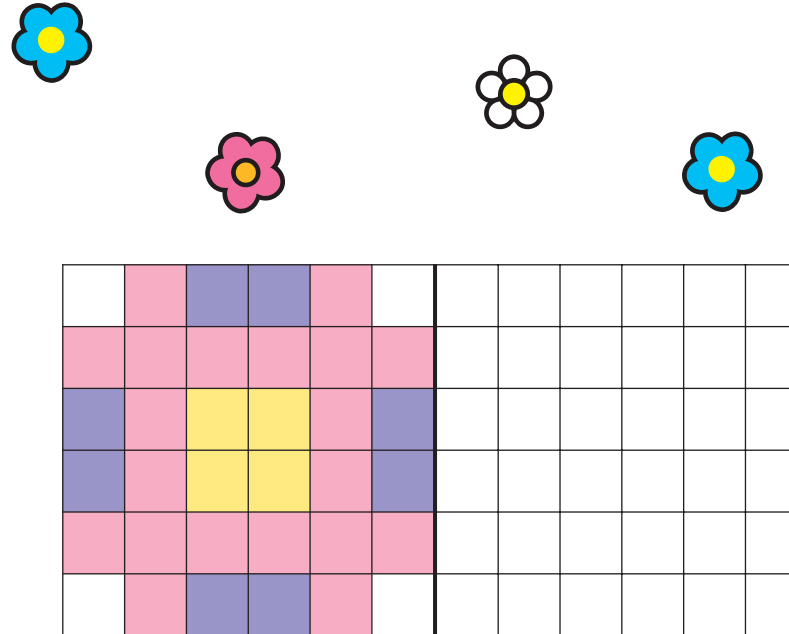

2 + 3 = \_\_\_\_\_

 Copia os desenhos que a Kitty pintou nas quadrículas, respeitando o número de quadrículas e as cores utilizadas. Os desenhos parecem flores e podem aparecer no jardim florido da Kitty!

A 6x10 grid with a vertical line at the 6th column. The left side contains colored squares: Row 1 (orange), Row 2 (orange), Row 3 (orange), Row 4 (green), Row 5 (green), Row 6 (green).

A 6x10 grid with a vertical line at the 6th column. The left side contains colored squares: Row 1 (pink), Row 2 (pink), Row 3 (purple), Row 4 (yellow), Row 5 (pink), Row 6 (pink).
